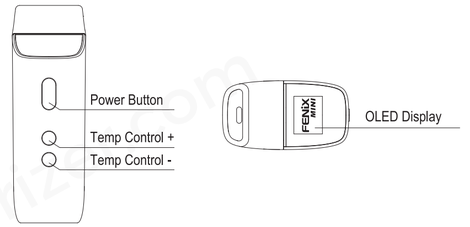
FENIX MINI+ Overview



Includes:

Friendly User Tips

1. For best results, fill chamber halfway or more, but do not pack tightly. This allows for even heat distribution and room to stir your herbal blends if neccessary throughout usage.

2. To maxinize efficiency, whenever possible after using allow unit to cool, and then stir herbs before the next cycle.

3. Be sure to turn off the unit when you are done by pressing the on/off button 5 times within 2 seconds.

OLED Digital Screen Instruction
