

FENIX

— NEO —

USER MANUAL

Thank you for purchasing the FENIX NEO vaporizer!

In order to ensure safe use, please read all instructions and safety warnings before operating. Failure to follow instructions may result in injury and may void your warranty.

Warnings and precautions:

This device is designed and intended for use with legal dry herbs for aromatherapy purposes only. Use with tobacco, nicotine-containing or illegal substances is prohibited. Keep out of the reach of children. Do not use this device if you are pregnant or nursing.

The manufacturer/importer will not take responsibility for damages caused by inappropriate, wrong or unreasonable use. Never use electronic devices near water. Never block or cover ventilation openings. Only use original accessories recommended by FENIX. Maintenance and repair should only be carried out by qualified personnel. To avoid electric shock, do not open the device by yourself. For safety reason, it is only allowed to have the device opened by qualified personnel. As long as the device is operation, do not leave it unattended.

Please seek medical support immediately, if negative side effects occur during or after use.

CAUTION! Some parts - especially the Filling chamber - can get very hot. Do not touch or clean these parts until they have completely cooled down.

Disposal:

As for environmental protection, at the end of device's useful life, owner should recycle separately from the unsorted municipal waste. Waste electronic equipment must not be disposed as unsorted municipal waste and in particular does not belong in the household waste. Disposal can be made through available local return and collection systems.

Warranty:

This device is covered by a 2 years warranty from the date of purchase. Proof of the purchase date is the invoice issued by the retailer, which must state the name of the appliance, the name of purchaser and the date of purchase.
